

You are encouraged to do the following:

(1) Make contact with those, that you know, within Dominion to inquire about backfilling opportunities/positions;

(2) If job seekers are not already signed-on with a temp agency, you are encouraged to do so, since many of the positions will first be placed through temporary agencies and thereafter converted to full-time if performance warrants [a complete listing of temp agencies and their specialty areas is posted to LinkedIn]; some agencies offer benefits, others do not. You can determine that while having direct contact with them. *This position notice is for a contractor position through a third party contracting agency in support of Dominion's sourcing activities as described. No employment or direct contract arrangement with Dominion is expressed or implied.*

(3) Visit the www.dom.com web site, establish a profile, register your resume, and have the system send you an email prompt sent about positions you are qualified for.

(4) Register for ALL positions that you are qualified for, at Dominion, not just once, but EVERY time you see a new one posted. The system is NOT set up to route your resume based on key word searches for any position other than the one you are applying for. So, register early and often.

(5) Specifically, if you are looking for a position in Supply Chain Management, please contact
