<b>ALPHABETICAL INDEX</b>	<b>16</b>

### Introduction

This is your very own *autographed, bound, and gold leaf gilded* copy of my updated version that is a convenient, functional, and practical; Sixteen-page One Stop Websites Directory of over 270 Websites including brief descriptions, which I compiled entitled:

#### **2010-One Stop Websites for Researching Business, People, Facts, & Beyond**

The first page is a Table of Contents and the last page is an Alphabetical Index; both of which have “Links to Click” to the subjects and back. Start at the first listing for each subject. For those seeking employment, you can use the One Stop Websites Directory to research companies, individuals, and finance problems including fillable payroll tax forms once you have a job offer. In addition, the One Stop Websites Directory provides links to many Dictionaries, Encyclopedias, Research Tools, the Federal Government, Virginia Government, as well as Attorneys, CPA's, a Virginia License Lookup, and Beyond.

You can save the One Stop Websites Directory to your computer hard drive and then create a shortcut on your Computer Desktop for easy access using an Icon, now and beyond. You are welcome to pass it along to your friends and family for their use too. To avoid any controversy, I purposely avoided the subjects of Religion, Politics, Sports, and some Science issues. If my One Stop Websites Directory is posted and or linked to a Website, *I maintain and reserve all rights, interests, and title to the material; including the review of any changes to my document.*

Although I am a Tax Expert, I have been working with computers since 1985, on the Internet since 1996, and I used to teach classroom courses on Tax Law, Computers, and using the Internet for one of my previous employers. In conversations and network meetings, I recommend certain Websites. This One Stop Websites Directory is a modification of my personal list that I accumulated throughout the years plus many additional sites.

I hope this information, presented with my complements, helps everyone in their quest for employment and beyond!

Good Luck!

*John*

#### **2010 - One Stop Websites for Researching Business, People, Facts, & Beyond**

This file can be opened by keying your password to login to <http://www.meetup.com>, then clicking [Virginia Career Network](#). Listed on the left side of the screen, below the Calendar is a category labeled "Files," which when clicked opens a list of files. 2010-One Stop Websites for Researching Business, People, Facts, & Beyond can be opened by clicking the heading and then clicking either “Open” or “Save.” If you click “Open” then once the file is on your screen, you can save it to your computer. For easy access, make a desktop shortcut. **Periodically, check the file date to see if the directory has been updated.**

Updates of this file can be opened, downloaded, and saved from the following Websites:

Career-Prospectors
